- Thank you for your interest in the Post Traumatic Stress Residential Rehabilitation Program (PRRP) at the Department of Veterans Affairs Central Texas Veterans Health Care System.

Enclosed is the following information needed in order to screen prospective program members.

1. **The Veteran needs to complete the application packet:**

- a. Signed request for 201 files
- b. Signed treatment contract
- c. FORMS 10-10EZ – Application for Health Benefits
- d. ***Include a copy*** of the veteran's ***DD-214***.

All forms above must be completed and returned before the treatment team will evaluate your application.

2. **The Referral Source needs to complete:**

- a. Referral Information Questionnaire

3. **A family member needs to complete:**

- a. Family Supplement Questionnaire
